NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (and the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1980 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Dear Sir,

In obedience to the order of assistant adjutant general United States, I report to you by letter for the purpose of obtaining my discharge from the United States service and the pay due me by the Government for service rendered as a private soldier in Company G. 7th Regiment Kentucky Volunteer Cavalry.

My name is Selby Whism. I am a Resident of the County of Robertson and State of Kentucky, Post Office address Mount Olivet. I am aged twenty one years I volunteered as a private soldier in Company G in the 7th Regiment Kentucky Volunteer Cavalry on or about the 4th day of June 1862, at Cynthiana Harrison County Kentucky. The Regiment was then Commanded by Col Leonidas Metcalfe and Company G was commanded by Captain William Brewer. I was mustered in on the 16th day of August 1862 at Paris Bourbon County Kentucky. Captain Robert Scott was mustered as my Captain and Brewer as a consolidation of Companies was mustered as 1st Lieutenant.

I was in the battle of Cynthiana and was taken prisoner and paroled. was exchanged and reported for duty at Nashville Tennessee. Forget the day I was taken prisoner and the date of my return. Was with the Regiment for ^{some time}

was sent on a scout under Captain Riley. of some Indiana
Regiment and myself and others were taken prisoners near
Dayburgville Georgia, by Capt Williams of the Confederate Army
was taken to Jacksonville, thence to Talladega Alabama
thence to Selma and from point to point in advance
of Federal forces until the war closed when I was
in Gaston Alabama. Sick and unable to
come home. Reason as I was well enough and
could get the means I returned home and found
my company and Regiment mustered out 25th
Sept. I served for more than 3 years - In that
time I was paid first at Clearland Tennessee, I do
not remember the paymaster's name but I recollect
about \$60. I was paid once afterwards \$26. at another
station Tennessee. I was never paid any bounty nor
any pay except the sums named. I drew clothing
several times but do not recollect the amount
I was not paid oftener because I was absent on duty as
a prisoner when my company was paid. I make
this application to obtain a discharge and such
arrangements as are due me by the Government

Respectfully

This affiant James M. Brown being first duly sworn states under oath that some sixty three years of age March 1st 1868, I reside in Robin son County Kentucky, my post office address is Mount Pleasant, Robertson County Kentucky. I volunteered as a United States Soldier 27th June 1862, in the 7th Kentucky Volunteer Caval ry and recruited part of Company G. 4th Kentucky Cavalry, was mustered as first lieutenant Company G. August 16th 1862, and served as such until July 13th 1863, and was with the Company the greater part of the time, and commanded the Company the greater part of the time I was with it. I recruited Selby Lehigh with whom I was then and am now well acquainted. I have read his letter dated October 9th 1867 at Mayfield Mason County Kentucky and from my knowledge of the man, of his standing, and from my present knowledge of the facts I am satisfied it is true. I have no hesitation in saying that I am satisfied every word of it is true. When he left the Company he went as one of the sentry as stated by him. This I know of my own personal knowledge - We never heard of any

the desert for a long time after ward, never
until after I was mustered out of the service
and as I could not get any information
from any of them I supposed they had
all deserted, joined guerrillas or been all
killed, and as I supposed if all of them
had been killed or taken prisoner, we
would certainly get some information
from them. I thought they must be de-
serters at large concealing their true en-
dowed and so reported and never thought
otherwise until I heard the truth. Since
I was mustered out and met Chas the only
man on the desert from my Company
I have gathered information that indicates
me I was mistaken in my conjecture
and that Chas tells the truth precisely
as it was, that he was taken prisoner and
the only other two men on the desert
from my Regiment were both killed
I make this statement willingly and gladly
under oath that justice may be done
Chas and his dead comrades and I
should have made it earlier but I
was then crippled and unable to
attend to the matter

FINAL STATEMENT

Regt of H. 1st U.S.
C. B.
VOLUNTEERS.

Disch June 15 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other COMMANDING OFFICER commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to an understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are mailed by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to arms, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Expenses."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landrum must be entered on the master roll on which the discharge, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for dismounted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

NOTATION.

Book mark: 11069 A. 1887

Record and Pension Office,

WAR DEPARTMENT,

Washington, July 11, 1895.

This man, under the name John P.
Christopher,
deserted from Co. F, 2 Reg't U. S. Inf.,
June 27, 1863, and enlisted
in this organization, in violation of the 22d (now 50th)
Article of War.

He deserted on or
about January 20, 1864,
and returned March 19,
1865.

As he was subsequently
restored to duty by com-
petent authority, without
trial, but upon conditions
which appear to have

B. J. W.

been complied with
(so far as not waived
by the Government), this
charge of desertion
no longer stands against
him. The record of
the fact that he
was absent in desertion
from on or about
January 20, 1864, to
March 19, 1865, cannot
however, be expunged.

The notation of
December 10, 1867, is
cancelled.

NOTE 1.—This blank will be used for both enlistments and re-enlistments. Enlistments of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the returning ticket of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment binds to service. A recruit must, in all cases, precede payment of pay, bounty, pension, etc. A recruit will march in all cases, be fixed in the Adjutant General's Office on evidence of receipt. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will accompany both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting agent.

Case 2 E. H. 1. 1863

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. s. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1280 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

CERTIFICATE OF DISABILITY FOR DISCHARGE

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, alcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out in duplicate by the soldier's company commander or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers all out and give the surgeon's certificate, and forward these papers to the regimental detachment or post commander, who will pass them to the regimental detachment or post commander, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of volunteers, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A recruit is must, in all cases, precede payment of pay, bounty, pension, &c. A recruit-in will must, in all cases, be filed in the Adjutant General's Office in evidence of payment. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the recruit into the service of the United States before either of them is given to the recruiting officer.

NOTE 1.—This blank will be used for both enlistments and reenlistments. Enlistments of veterans, etc., are, in the volunteer service. They will be made out in duplicate in all cases—and to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier has served should be given on the back.
 NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

SPECIAL ORDERS, } WAR DEPARTMENT,

No. 442.

(Enclined.)

• • • • •
S. Private Quince G. Cook, Company "I," 7th Kentucky Veterans
Cavalry, now supposed to be with that regiment, will be discharged
the service of the United States, upon the receipt of this Order at
the place where he may be serving.

File

By order of the President of the United States:

E. D. TOWNSEND,

Assistant Adjutant General.

OFFICIAL:

Assistant Adjutant General.

Colonel Dick

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A recruit's name, in all cases, precedes payment of pay, bounty, pension, &c. A recruit's roll must, in all cases, be filed in the Adjutant General's Office as evidence of service. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments on having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

May E. R. Beaumont,

A. A. G.:

I send you Capt
Crane 7th Ky Cavalry under arrest - arrested
- for drunkenness and insubordination
Be kind enough to detain him or
turn him over to Col LaGrange until
charges can be preferred against
him; my intention is that he shall
be cashiered if possible.

I found here in addition
to the supplies heretofore reported a
large quantity of Naval Stores - Copper
rope &c., I have left them all
in charge of Lt Somers.

A deserter from the 39th
Ga. reports that Gen Jones refuses to
recognize the surrender of Gen Johnson
of the Florida troops - I don't believe
it - but send it to the Gen Commanding
for what it is worth. He says

they will endeavor to resist my
advance at Thomasville and if
unsuccessful there at Tallahassee.
Gen. Wilson can probably form as
correct an estimate as I can as
~~to its truth.~~ It might be prudent
to send troops - some more of my
Division down here where they can
be available in case I want them.
I can whip any ordinary force with
the few men I have.

I will communicate
regularly with you, by courier.

Very respectfully

March 14, 1862

To Genl J. E. A. Gilmore. -

Your petitioner Capt Simon Crane states that he is a member of the 7th Kentucky Cavalry, Captain of Company M. and that on the 3rd day of February 1863 he was detailed by General Rosecrans with orders to proceed to Harrison Nicholas Bourbon & Bath Counties in Kentucky to collect & bring back all deserters and members of their Regiments fit for duty who are absent without authority, and in said General orders it is stated that full power is given their officers for this purpose & no order from any authority other than the Secretary of War or the Genl Commanding this Dept will be allowed to interfere with the efficient execution of this order, & all officers are requested to render every necessary assistance in their power to secure its fulfillment. Twenty days absence was allowed under said order, said order is herewith filed as part hereof.

Your petitioner now under arrest states that in accordance with said order he came to Kentucky, proceeded to Montgomery County, presented his orders to Col Walker in command of the U.S. forces in Mount Sterling, who declined furnishing your petitioner with any assistance, the said Col. Walker then sent a scouting party under command of Capt Rogers of the 10th Ky Cav. in the direction of Chapfobury. Your petitioner voluntarily went with Capt Rogers to Chapfobury, where he gave your petitioner a detail of four men to go to Burnsville for the purpose of taking some deserters belonging to the 7th Ky Cavalry. On returning the said town your petitioner came in con-

tack with six Rebel soldiers, Your petitioner and
squad fired several shots at said Rebels, These
Rebels had at this time in their custody John
Trumbo (as a prisoner) a member of the 14th Ky
Cavalry - Your petitioner attempted to rescue said
Trumbo and the Rebels warned your peti-
tioner to leave the town at once, that there was
a large Rebel force only two miles distant &
that the Rebel pickets were only half a mile from
the town, Your petitioner did leave Owensville
proceeded to Harpersburg and gave the infor-
mation just as he had received it to Capt
Rogers, who thought the said report should be made
to Col Walker at Mt Sterling. Your petitioner
knew nothing of the truth or falsity of the report
of the proximity of the Rebels at Owensville but
says he believed it true and believed it his
duty as a soldier to make the report to Captain
Rogers. Your petitioner prays to be discharged
from custody - and subscribes himself the
Humble servant of the Commanding General.

TREATMENT.

[RECORD THE IMPORTANT COMPLICATIONS AND ALL OPERATIONS.]

RESULT AND DATE

transferred to Chicago
Dec 19. 1864.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, limited or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as to the nature of the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps department; or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates down to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the appointing officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed by the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

Private Henry Coustis
7th Regt of N.Y. Cavalry
1st Bn.
VOLUNTEERS.
Discharged June 15/64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each volunteer. One of these certificates is to be given to the volunteer himself, and the other to the company commander. The company commander will certify to the fact of the delivery of the certificate, and also on these certificates the company commander will certify to the fact of the delivery of the certificate, and also on these certificates the company commander will certify to the fact of the delivery of the certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with his descriptive list, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements. From the fact that his descriptive list is incomplete. These accounts for both pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, by duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier; after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these documents direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Stated that Benj. Davis Private
7th Reg. Conn. is now in Military
Prison there, on charge of sedition.

Said folk Davis called upon him &
requested him to see Col. Sipes on his
behalf, his regt. then being quartered there
(Davis) was desirous to secure his being
of Chas. Smith, at the Rolling mill of
Challife & Son, at Conington.

Col. Sipes answered that his decision on
the matter, was against to them in the
field & granted him permission to go to
work, & as the matter was not settled
until ordered to leave his discharge.

The enclosed paper marked "D" is a
discharge, Davis having made his statement,
& a letter from Mr. Richardson, was
forwarded to Col. Sipes who overruled
the action of Col. Smith, & refused the
matter to Genl. Thayer, assuming order.

Rayⁿ Davis,

a private of the 7th Ky Reg^t Vol. Cavalry,
is now in the Military prison in this City, having
been arrested as a deserter, and is subject to the
punishment generally upon deserters, if not
proven innocent. Last fall Mr Davis called
upon me and requested that I should see Col.
Wm. J. Sipes in his behalf, his Reg^t at that time
being scattered, and he, Davis was anxious to
resume his business, that of chain maker at
the Rolling Mill of Phillips & Co. in this City,
Davis being the principal and best chain maker
in the City, and the chains manufactured at
said Mill being for the use of the Gunboats,
building at that time for the Government. Col
Sipes concluded that his services in the
Mill, being ^{were} at least equivalent to those in

the field, considering the condition of his Regt
at that time, therefore granted Davis permission
to go to work, subject to his orders, and that
in the mean time Adj. Gen. F. Small would
endeavor to procure his discharge at Washing-
ton. Col. Sigsbee having been transferred, and
Col. Sney knowing nothing of the case, it de-
veloped upon Mr Richardson and myself
to clear him of the charge of desertion, Mr
Davis is an honest, industrious & sober man,
having two or three children to care for,
therefore is extremely anxious to be released,
The accompanying papers, marked (O) is
a discharge by order of the Governor, Davis
never having been mustered into the Service,
and the paper marked (X) is a letter from
Mr Richardson to the Commandant of the
Post at Coonington, said papers I pre-
sented to Col. Sney, who overruled the
action of Gen. F. Small and refers the
matter to Gen. Wright, awaiting his orders.

Very Respectfully

Thinks the accompanying
papers will settle the case of Ben
Davis, whose discharge ought to
have been made out months ago.

Asks him to call upon the Col.

matter is adjusted & Mr Davis
discharged from custody.

Mr. R. Ricker

Dear Sir,

Accompanying papers
will, I think, fully settle the
case of Ben Davis. Indeed the
discharge ought to have been
made out months ago.

You will please call
on the Col. Commanding the
post at Lex. and see that the
matter is fully adjusted and
Allen D. discharged from custody.

I presume an order
from the Col. will be all that
is necessary. Hitherto all business
in this case has been transacted
with Col. Sipes, now on duty
elsewhere. I have not the pleas-
ure of an acquaintance with
the present commandant.

I have marked this note
"private", but use it if you think
it may be of service. You are
acquainted with all the facts of this
case. Very Truly Yours R. Richardson

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—of *h. h. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments of volunteers, etc., etc., in the volunteer service. They will be made out in duplicate
 in all cases—one to accompany the recruiting return of the reporting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer
 who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.
 NOTE 2.—An enlistment holds to service. A recruit-in want, in all cases, proceeds payment of pay, bounty, pension, etc. A recruit-in full must, in all cases, be filed
